Article 1 - GOODS:

Supplier hereby agrees to manufacture and Buyer hereby agrees to buy the following goods (the "Goods"):

The Goods are to be made in accordance with the following specifications (the "Specifications"):

Supplier agrees to manufacture the Goods using the care and skill practiced and accepted in Supplier's industry, as well as in compliance with all applicable laws and regulations. Supplier agrees to purchase quality materials for the production of Goods. Buyer agrees to be available for communications, questions, and to provide any necessary documentation.

Article 2 - OWNERSHIP:

The Parties hereby agree that Buyer will maintain all ownership in the Goods. Supplier will not be permitted to sell any of the Goods to any third party without express written permission of Buyer. Supplier will also not distribute the Goods to any consumers.

Article 3 - INTELLECTUAL PROPERTY:

Supplier hereby acknowledges and agrees that Buyer retains all rights in and to Buyer's intellectual property, including all patents, trademarks, service marks, trade secrets, copyrights or other intellectual property ("Buyer IP"). Buyer represents and warrants that the Buyer IP does not infringe upon or violate the intellectual property rights of any third party.

Subject to the terms and conditions herein, Buyer grants Supplier a limited, non-transferable, non-exclusive license, effective while this Agreement is in force and effect, to use the Buyer IP in order to manufacture the Goods.

Supplier may not register any deceptively similar or likely-to-confuse trademarks, servicemarks, or trade dress which may resemble the Buyer IP.

The limited license granted herein shall not be construed to limit Buyer from any economic activity, including working with other suppliers, distributors, or merchants of any kind. The limited license expires at the termination of this Agreement.

Article 4 - PRICE AND PAYMENT INFORMATION:

The per-unit purchase price for the Goods ("Purchase Price") shall be as follows: \$2 (two US dollars). The quantity of Goods being ordered is 2 (two).

The total purchase price for the Goods ("Purchase Price") is \$4.00 (four US dollars).

The Purchase Price shall be payable in U.S. Dollars and may be made as follows:

The Purchase Price may include any shipping fees, product insurance or other handling costs, which Buyer hereby agrees to pay.

Article 5 - RISK OF LOSS:

While Buyer agrees to pay shipping and handling fees, as well as product insurance, as noted above, risk of loss for the Goods shall pass only when Supplier either completes delivery to the Buyer, if the Goods are being personally delivered, or when the Buyer receives the Goods, if Supplier places the Goods with the shipping carrier.

Article 6 - LATE FEES:

If Buyer does not make payment as due, Supplier shall charge the Buyer 100% late interest on any outstanding charge.

If Buyer does not pay, Supplier is entitled to treat this as a material breach and cancel this Agreement or seek other legal remedies, at Supplier's discretion.

Article 7 - DISCOUNT:

If Buyer determines that the Goods do not conform to the Specifications, Buyer shall notify the Supplier, in writing, within the Inspection Period. Supplier shall have 2 days to cure.
